BELLE GLADE — PAHOKEE, FL.

Everglades Camp is sold

By Alma Henry
PAHOKEE — After standing idle for nine years and the target of criticism twice from NBC network documentaries on migrant conditions in South Florida the Everglades Labor Camp, located on U.S. Highway 441 just Southeast of Pahokee was sold Tuesday for \$291,359 to Joe Alderman, II.

The Board of Directors of the Pahokee Housing Authority opened sealed bids Tuesday afternoon after advertising the property for sale for a month. Alderman was the top bidder among the six businessmen bidding for the 56.74 acre former labor camp, which was used to house black migrant workers from 1937 to 1972.

Randy Mills, executive director of the Pahokee Housing Authority said each acre was sold for \$5,135 per acre.

The second highest bid came from Moyl Bishop of Clewiston. Bishop bid \$212,775.

AN EXHAUSTED Stella Taylor was besieged by newsmen as she climbed out of the Rim Canal Sunday afternoon. She completed a 20 hour, 22 minute, 20 second swim from Moore Haven.

Black Gold: bigger, better than ever

By JIM JONES

Belle Glade's Black Gold Jubilee came to an end Sunday night, April 12, with the bang of fireworks marking the end of the biggest and best festival in city history.

The twin blessings of breezy, sunny weather, and a weekend crammed with entertaining events, attracted record crowds to the festivities.

An estimated 25,000 persons took part in the festival as either spectators or participants since the festival started March 28 with a bowling tournament, a police department spokesman said.

The same spokesman said approximately 7,500 persons turned out for the final day Sunday at Tory Island, highlighted by Stella Taylor's 31 mile swim from Moore Haven.

Saturday's parade set the tone for the rest of the Jubilee as marching units, floats, clowns and pretty girls passed waving and applauding citizens along city streets.

"It was an exciting parade," said Parade Marshal Sandra Chambliss, recalling last year's problems when the weather failed to cooperate, dampening spirits and marchers.

"I thought it was the best that we've had," said Lynette Thompson, who had coordinated about eight parades. "The participation was outstanding."

Dolly Hand called the parade marvelous. "I thought everything was great. The crowd and the parade were bigger and better than we have ever had," she said.

Mary Orsenigo was the especially pleased with the four marching bands in the parade and called the music "terrific."

Black Gold got off to a quiet start Friday at 3 p.m. as local children took to the marina with cane poles for the fishing contest. Appropriately enough, Ben Fisher won the competition for boys under six with the largest fish and most fish caught.

In the competition for boys over six, Chris Bunting took top honors for largest fish, while Rubin Johnson, Jr. caught the most fish.

Frankie Peacock caught the largest fish and most fish for girls under six, an honor duplicated by April Haller for girls over six.

Kevin Whitlock won the prize for smallest fish. Things were a bit more rousing Friday night when seven teams took part in the "Almost Anything Goes" contest. After the dust had settled and contestants had competed in everything from carrying stacks of crates to egg tossing, Seminole Supply was judged the most daring and best.

"Almost Anything Goes" team. Second was the Lions Club, while All Pro was third. Glades Day won the trophy for high school teams.

At 7 a.m. Saturday, a dedicated pack of runners set off on the marathon minus one-half (13 1/2 miles), an event eventually won by Ted Barret, last year's winner. Second was Mike Warner and third was Larry Altman. Linda Erbacher won the women's event.

Sixty-three arts and crafts and food booths opened for business at 9 a.m. at McDonald Park and almost immediately, browsers appeared, taking in the sights and shopping for bargains. One of the most unusual booths was Harold DeTar's fly tying booth, while one Continued on page 2

Briefly

Prayer breakfast Friday

The Belle Glade Kiwanis Club is sponsoring the second annual Community Prayer Breakfast at the Belle Glade Civic Center Friday, April 17, at 8:45 a.m.

Tickets may be purchased from any Kiwanis member, at the Belle Glade Chamber of Commerce, or at the Bible Book Store on 435 SE 2nd St. Tickets are \$3 per person.

Mayor Tom Altman will give the welcome at the breakfast and the message will be delivered by Rev. Edwin L. Smithwick of Indiantown.

Sunrise services planned

BELLE GLADE—The Belle Glade Ministerial Association is planning a Community Easter Sunrise Service, Sunday, Apr. 19 at 6 a.m. at the Belle Glade Marina parking lot.

The program will include Easter music, prayer and offering for the community, scriptural lesson for Easter and a sermon by the Rev. Joe Ed McGahey, pastor of the Community United Methodist Church of Belle Glade.

Program participants will include Rev. Joseph Santa Bibiane S.E.B. St. Philip Benzi Catholic Church; Rev. Charles Farrar, pastor of the St. John's Episcopal Church; Rev. Robert Atkins, First Baptist Church; Rev. Aaron Pettit, Worship Center; Rev. Joe Ed McGahey, Community United Methodist; Rev. Henry Fuse, Jr., Church of God of Prophecy; Rev. David T. Evans, Jr., Everglades Presbyterian Church; Kevin Wright, First Baptist church, John Dulany, Community Methodist Church and Karen Corbin of Community United Methodist Church.

The public is invited to attend the service.

SUNSHINE Water Sports had this award winner in Saturday's parade.

City identifies road projects

BELLE GLADE—Belle Glade City Commissioners directed City Manager Rolfe Wagner to place four proposed road projects in an order of priority for construction Monday, April 13, at their first regular meeting of the month.

Wagner initially identified five projects for the county road department, but commissioners deleted one of the projects to avoid "diluting" chances of eventually completing the others.

Identified by Wagner were 1. Road and drainage improvements to Avenue E, 2. improvement of Duda Road between State Road 80 and Airport Road, 3. improvement of Wedgworth Road, and 4. Redesign of State Road 80 and Duda Road intersections.

Deleted was extension of Northwest Avenue L, approximately 1,000 feet west of State Road 715.

In other business Monday, commissioners: • Learned that only about 50 percent of the city's drinking water normally obtained from Lake Okechobee is being obtained through the city's main line to the lake due to a slip joint problem.

Auxiliary pumping from the Rim Canal is being used to supplement the main line.

City Manager Rolfe Wagner said he would ask for a special meeting of the commission when he obtains the information needed to act on the problem.

• Approved spending up to \$1,000 on the city's old racquet ball courts to make them safe for play. There is some concern about the safety of the structure's walls and balcony.

Officials say this is a temporary measure to give racquet ball players a place to play until the new courts are built.

• Expressed concern over the long time required for the completion of annexation proceedings.

Mayor Thomas Altman call the process "cumbersome," noting that two annexations approved Monday required between a year and six months to finalize.

Commissioners asked that in future annexations that an ordinance be prepared for the first reading.

Continued on page 2

Courageous Stella Taylor completes swim

By SCOTT ELLIS

Snakes, alligators, a stiff headwind and the freshwater of Lake Okechobee weren't enough to keep Stella Taylor from being the first woman ever to swim the Rim Canal.

Stella, a former nun, stepped out of the water at about 9:30 p.m. after a 20 hour 11 minute swim that stretched from Moore Haven to the Belle Glade Marina on Tory Island. The hundreds who lined the banks to take in the final festivities at Belle Glade's Third Annual Black Gold Jubilee cheered and applauded the stocky 51-year-old blonde as she left the murky waters.

"It's a nice feeling," Stella said to the army of reporters waiting for her. "Now I have my own swim. It was tough mentally and physically. It was a body of water that had never been tried before."

"I'd say (to myself) come on now, you're supposed to be a marathon swimmer. The pain was never ending."

A Fort Lauderdale resident Stella is originally from Bristol, England and has swam the English Channel twice. Taylor has also attempted a Bahamas-to-Florida swim three times, spending 51 hours in the water during one effort.

After being rubbed-down with liberal amounts of Vaseline to keep her swimming suit from chafing her, Stella, spunky and full of spirit, entered the canal at a boat ramp in Moore Haven about 9:15 p.m. One of her assistants, "Big John" McLaughlin, followed her in a marked outfit for roughly the first hour of the trip.

Jim Woodward in his boat "Happy Hooker" was right beside Stella for almost all of the swim. Taylor's trainer, Bob Dunkel, watched his swimmer almost constantly, feeding and advising her. Every hour she would take a break, treading water while drinking chocolate milk or coffee with heavy doses of sugar. She also ate crushed peaches, wafers and honey, all designed to keep her blood sugar level high enough to sustain her during her grueling day.

Continued on page 9

Labor camp

Continued from page 1

Other bidders included: Curtis Miners; \$184,602. Bill Kennedy; \$125,400. Sugar Cane Growers Coop; \$113,537 and Willie M. Johnson; \$101,000.

The board required a 10 per cent deposit upon acceptance of the contract, one-third of the purchase price will be required at the closing; and the authority will finance the balance.

Prior to the closing of the labor camp in 1972, tenants of the authority were moved to new developments, Fremd Village and Padgett Island. In other business before the board:

- Heard a report from Mills that the Authority will perform a Utility Allowance Study on tenants living in the four housing

authority developments. Mills said he had received over 8,000 electric bills from Florida Power and Light and the study would begin immediately. Mills said the housing authority has been told by HUD the study must be completed by the end of May.

- Mills told the board to re-examination and the verification of tenants income should be completed within two weeks. Mills said the two project managers and himself would work the weekend of Apr. 24 through the 26th to complete the re-examination.

Mills said he does not expect the rents to go up much because over 50 male heads of household were added last year, which raised rent schedules substantially.

Mills said because of an increase in Social Security payment to the elderly last summer there will be an increase in a number of the senior citizens rents.

"The rent will go up approximately \$3 for the senior citizens with Social Security increases," said Mills.

- Agreed to re-open negotiations with the City of Palmetto on the purchase of a garbage truck.

- Heard a report from Mills on the repair of water lines in Stuckey Homes. Mills said as a result of repairs the water

consumption has decreased by a large percentage.

- Accepted bids on the purchase of a pavement roller and mower.

- Heard a report from Mills, the housing authority would be audited in late August or the first week of September.

City roads

Continued from page 1

when the action comes before the commission as a way of speeding up the process.

- Annexations approved Monday include Gracin Bryan's property on 708 N.W. 17th St., Kirschman Oil Corp. property on 1200 N. Main St., Thomas Bonavia's property on 1180 S. Main St., and the amendment of the legal description for the annexation of property belonging to George L. Connell at East Lake Park Subdivision Addition No. 4.

- Approved the abandonment of an alley between N.W. Avenues B and C for the First Baptist Church. Rev. Robert Atkins said the church intends to eventually build an auditorium on the site facing the highway. An abandoned service station on North Main Street would be torn down to make room for the addition.

Black Gold

Continued from page 1

of the most popular was the cotton candy machine.

At noon, Jubilee Chairman Steve Wiggins presented awards for the parade, Almost Anything Goes, the small fry fishing contest, and the tennis tournament.

The Belle Glade Chamber of Commerce won first prize in the business category of the parade competition, while the City of Belle Glade was second, and Universal Stars, Inc. was third.

In the non-profit division of the parade, Cub Scout Pack 622 was first, the Palmetto Chamber of Commerce second, and Sunshine Water Sports, Inc. third.

Although his was not an official award, Barney Sicama of Clewiston was the painting, "Woodland Waterfall," given away by the Planned Parenthood Association in conjunction with Black Gold. Planned Parenthood earned almost \$2,000 in donations for the painting, which was contributed by Ruth Wedgworth, said Cathy Cottle.

A highlight of Saturday afternoon's entertainment was the baby crawling contest, won by Michelle Herring, nine months. She is the daughter of Jimmy and Diane Herring of Belle Glade.

Meanwhile, at the public library, a childrens movie, puppet show, and art show were being presented.

Art show winners included Ralph Towel of Glades

Day School (GDC) in the kindergarten division, St. Peters first grade, Laura Middleton, GDS second grade Ronnie Hillyer, Glades View third grade Nestor Betancos, Christian Day School fourth grade Susie Gray, Lake Shore fifth grade Alina Ramon, and Christian Day School sixth graders Vickie Shackelford and Stevie Robinson.

Saturday's events concluded with a dance thrown by the Glades Association for Retarded Citizens at the Elks Lodge, which raised about \$2,300.

Activities resumed at the city marina Sunday at 1 p.m. with a childrens barbecue. Hungry crowds made short work of the roast beef and by 4 p.m. the barbecue was reported sold out.

While the crowd waited for Stella Taylor to complete the last leg of her epic swim, Sunshine Water Sports, Inc. entertained with a variety of acrobatic stunts, which drew bursts of applause and cheers from the appreciative crowd.

In the raft races this year, the only race was for second place, South Bay Growers' sleek "Vegetable Power" paddle-wheeled away from all challengers. The only problem Susie Hodges and Marsha Pennington had in the womens race was leg cramps from peddling too hard. Following were mens and mixed races, and "Vegetable Power" proved that it was without doubt the class of the field. Winning the mens race were Donald Miller and Steve Goodbread, while Jerry and Diana Miller won the mixed race.

Also scheduled during the afternoon were pie eating, horse shoes, pet show, and greased pole climbing contests.

When an exhausted Stella Taylor finally climbed out of the Rim Canal about 5:30 p.m., ending a 20 hour, 11 minute, 20 second swim covering 31 miles, the day was complete. The swim temporarily, in Belle Glade at least, eclipsed the launch of America's first space shuttle.

The crowd and a swarm of newspaper reporters and television cameramen stepped right up to the water's edge, trying to get the best photos and quotes.

When the fireworks followed at dark, it was a colorful end to a nearly perfect weekend, one that Black Gold Jubilee Committee members have already begun thinking about now to surpass next year.

Predicting and noting

The Zeta Phi Beta Sorority, Inc., is sponsoring its second annual Violet Anderson NAACP Community Service Award banquet Saturday at the Lakeside Country club.

We all know of the good works the NAACP have done for the building of equality for all persons in the United States and Saturday's affair will be an excellent time to support one of the nation's oldest civic right organizations and the Zeta Phi Beta Sorority, one of the Glades community's most charitable organizations.

Gerald Adams, a newly elected city commissioner for the city of Riviera Beach, and a former Equal Opportunity officer for Palm Beach County, will be the keynote speaker.

Adams should have much food for thought on the coming politics of Black Americans.

Saturday will also be a time to see some of the area's most dedicated citizens honored.

Don't let the banquet pass you by.

It seems the Glades Central Raiders boys and girls track teams are unbeatable. The Raiders have won virtually all of their track meets this year and have several team members with the best time in their class in the state and the best time outright.

Although the Raiders coaches are hesitant to predict how the Raiders will do at state competition, the Raiders have a darn good chance of winning the championship for their class, in addition to having several first place winners.

It seems I can now officially call myself a fortune teller.

Last week I predicted the city's public works team would finish next to last in the city's almost Anything Goes contest, held in conjunction with the Black Gold Jubilee.

My prediction was on the money and one team member has accused me of putting a jinx on the team. Now would I do something like that?

Better luck next year guys and dolls.

Michelle Herring crawls to win in baby contest Saturday.

The Unsinkable Stella Taylor

**SCOTT
ELLIS**

"She's unbelievable!"

That was a comment that one particular crew member on the houseboat that followed Stella Taylor on her history-making swim kept making over and over throughout the ordeal. And it was a comment that I think almost everyone can concur with.

Stella Taylor has become the first woman and probably the first person to ever marathon-swim Lake Okeechobee. She travelled down the Rim Canal (Okeechobee Waterway) from Moore Haven to Tolly Island's Belle Glade Marina in 20 hours. She fought off pain constantly during the trip. She is a tough gal.

Pete Kirchman and others helped make arrangements for Stella's swim including the press arrangements. Reporters from TV and the Gold Coast and me, accompanied Stella on her swim watching in Doug Wedgworth's houseboat. While a few fell asleep for part of the night, most stayed awake, fascinated by the lady in the lake who was

not only staying awake, but swimming ahead in even, strong strokes.

One of the persons on the houseboat was another marathon swimmer, Walter Poniach. He and his wife Fay, from Grove City, Ohio, have collected newspaper clips of other marathon swimmers of the past 50 or so years. They showed me a clipping of a 1964 Palm Beach Times article claiming that yet another marathon swimmer, Jim Woods, swam Lake Okeechobee, from Taylor Creek (near Okeechobee City) to Pahokee, a distance of more than 40 miles.

Poniach also claimed to have swam from Cuba to Florida two years ago. But that feat, like Woods' supposed swim, is not acknowledged by recognized swimming organizations, such as the International Swimming Hall of Fame in Fort Lauderdale. The Hall of Fame sent an observer, Bob Payour, to verify Stella's accomplishment.

Payour expressed doubt that either Poniach or Woods completed either of the two above-mentioned swims, pointing to scandals involving persons who claimed to have swam the English Channel in order to have a chance at prize newspapers of turn-of-the-century England were offering.

So was Stella Taylor the first woman or first person ever to marathon-swim Lake Okeechobee? I prefer to think that she was the first person ever to do it, and she certainly is the only person to be officially credited with it. And either way, I witnessed history this weekend.

Congratulations Stella! You're a heck of a lady and a fine athlete. You made our Black Gold Jubilee 1981 something to remember forever.

Council rejects harbor bids

PAHOKEE — The Pahokee City Council rejected all bids on the improvements of the city harbor. At the regular meeting of the Council Tuesday night, Apr. 14, the Council voted to reject all bids after the bids came in approximately \$100,000 over the estimated cost of the harbor improvement repair.

Jim Sloane, the city consultant engineer with Russell and Exxon told the Council the project would cost approximately \$50,000 and funds would

be available from the county.

Sloane said he underestimated the cost of the improvements and had no one but himself to blame for the low estimation.

Sloane said the Council still had several options to finance the cost of the improvements.

Through the application of grant money available from the Department of Natural Resources and the Army Corp of Engineer, Palm Beach County and Community Development, Sloane said there was still a possibility the city would be eligible for funds from one of these agencies.

Randy Mills, executive director of the Pahokee Housing Authority appeared before the Council and asked the Councilmen if they were willing to re-open negotiations on the garbage truck agreement the authority and city had worked on previously.

Councilman Curtis Miners said he was interested in re-opening the negotiations. "The city is worse off now than we were then," said Miners. The Council agreed to hold a workshop session Monday, Apr. 20 at 7:30 p.m. at City Hall with the Board of Directors of the Authority.

In other business before the Council:
• Delayed taking action on bids for gas, oil and chemicals for the Utilities Department.

BUDDY NORRIS
HOOK, LINE & SINKER

Tourney results

It's big bass time on the Big "O". I have seen more big bass in the past few days than I have seen in the last 8 months combined. These big lunkers started their trip to the docks with Sunday's Black Gold Jubilee Bass Tournament. A super catch of 16 fish weighing 59 pounds 5 ounces was brought by Joe (Big Fish) Taylor of Belle Glade and Chuck (Tackle Twister) Gilbert of Palm Beach. This was enough to take first place as well as big fish honors (8 lbs. - 6 oz.)

Second place was a nice 28 pound, 8 ounce stringer caught by Dick Godfrey of Belle Glade and Johnny Jones of Ft. Lauderdale. Carl Courson and Robert Goodson both of Belle Glade, took 5th place with 18 pounds, 5 ounces.

The bass are really turned on with spoons. Kirby Sands, a guide at Slim's Fish Camp, caught two nice lunkers weighing 10 pounds, 2 ounces, and 10 pounds, 3 ounces.

Blue gills are trying to out do the bass by filling the fishermen's coolers in abundance. They are making a regular diet of crickets, worms, and beetle spin lures. The rim canal is filling up with big bluegills with the overflow of fish finding their way into the dynamite holes south of the fish camp. Abbi (on-a-roll) Peacock fishing with Harold Peacock caught 56 nice bluegill while fishing with crickets in the rim canal. Mr. Peacock is expanding his fishing expertise by showing his skills at fishing for panfish as well as bass. Mr. Peacock is practicing up in case he finds someone holding a panfish tournament Good luck Abbi.

Speaking of tournaments, (bass tournaments) I want to remind you that there are several good tournaments being held in the near future, so contact us here at Slim's and we will help you with your applications.

Speckled perch are making their bid for top honors with good limits being taken from the Trees Island area and the dynamite holes. Daytime or nighttime fishing with live minnows and jigs is really hot.

I missed one of our outstanding local fishermen in last week's column. Mr. Kenneth (Rooter) McIntosh placed fifth in our own Slim's Bass 'N' Classic Nov. Sorry About that.

IDENTITY OF MURDER VICTIMS STILL BEING SOUGHT

Palm Beach County Sheriff's investigators were still trying to determine the identity of two murder victims Tuesday, April 14.

The bodies of two men were found by a U.I. Sugar Corp. worker near Gulf and Western's Okelanta Sugar Mill Thursday, April 9, about 9 a.m. Detectives believe both men, believed to have been between 20 and 30 years old, were shot through the head at the scene and then set afire. Their bodies were found on a cane road with sight of both the Okelanta mill and U.S. 27.

Detectives Bobb Champion and Kent Welby are investigating the twin murders. Welby said Tuesday that identities of the men has not been determined.

TAYLOR keeps going through the long night, helped along by refreshment during her hourly breaks.

Stella—

Continued from page 1

and night in the lake.

And it was painful several times during the trek for Taylor, as she continually broke through numerous "pain barriers," as she termed them.

At 11:30 a.m. she complained of arm cramps, grimacing and moaning in pain.

"I've got a terrible cramp," she shouted. "We've got to keep going."

Two hours later, Stella was fighting pain and

JUST BEFORE ENTERING the murky Lake Okeechobee Rim Canal in Moore Haven 9 p.m. Saturday night, marathon swimmer Stella Taylor is rubbed down with jars of Vaseline.

STELLA'S style was called unorthodox.

fatigue again, as she asked the press on the houseboat accompanying her to stop taking pictures, temporarily.

"I'm going through a pain barrier right now. I can't use this arm right."

Just a few minutes later, Taylor apparently was through the barrier, because her stroke picked up and she began using her previously sore arm much better. Stella's per minute stroke averaged about 65-70. Her speed during the 31-mile swim was about 1.6 mph.

Except for the slight headwind, the weather for the swim was good. The air temperature dipped to only about 68 degrees at night, with water temperature perhaps a little warmer, according to Bob Paysour, an International Swimming Hall of Fame observer who was on the houseboat to officially validate Stella's swim.

The water got a little choppy at times and the wakes created by unthinking boaters who roared down the canal were also upsetting Taylor. At one point, Stella was seen crying.

Things like that proved to be a bigger hazard for Stella than the 100-plus alligators sighted. With their luminous red eyes shining through the night or the water moccasins. Game wardens, officials of the Palm Beach County Sheriff's Department and personnel aboard the Happy Hooker riding shotgun helped protect Taylor from whatever threats there were.

Taylor also commented on how much rougher it was to stay afloat in freshwater, as compared to her increased buoyancy in the salt water of the Atlantic Ocean.

Stella also complained of sometimes having to fetch her own food and drink during the trip, understandable considering the marathon swim she was completing. And under Hall of Fame rules, she couldn't grab a hold on any person or boat.

"Someone should be doing this stuff, taking it (food) out to me on a dinghy. I'm doing all the work

HERALD-OBSERVER, Thursday, April 16, 1981, Page 9A here. That's the way (with a dinghy) that we did it in the Bahamas," she said.

Stella's trainer didn't tell her of the successful Space Shuttle launch, which came at 7 a.m. Radios on the houseboat were turned in to the event, but Stella was permitted to concentrate fully on her mission.

But at 12:18 a.m., during Taylor's midnight feed, she remarked "It's Palm Sunday," remembering a holiday that coincided with her feat and Black Gold. Around 1 p.m., Walter Poenisch, a marathon swimmer from Ohio who said he completed a Cuba to Florida swim in 1980, predicted Taylor would make it.

"Stella takes short, wide stroke," Poenisch said. "She takes two strokes to my one. It's harder that way, but she's doing damn good. I think she's going to do it."

Paysour concurred with Poenisch on Taylor's unorthodox style.

"Everybody's tried to change her stroke, but the fact is, is that she gets the job done," Paysour said.

Most professional swimmers, Paysour said, reach straight out as far as they can when they stroke. But Taylor spreads her arms out in wider arcs.

Besides intermittent goggle trouble, Taylor's body was visibly drained by the strain she was putting on it. At daybreak, everyone could see that her hands and lips were blue.

When she passed through Clewiston, around 6:45 a.m., Stella had to dodge dozens of boats involved in a bass fishing contest. A small crowd had greeted her earlier at Uncle Joe's Fish Camp, but didn't get in her way.

Before she approached South Bay, only about two miles from her goal, Stella gave an excited shout to her crew, and the houseboat personnel applauded. When she approached South Bay about 4:05 p.m., she was a little more than an hour away from the finish, her victory and the adulation of perhaps all of the Glades.

Obviously exhausted, Stella still greeted the press clustered around the Sunshine Sports Marina, and she talked with them freely for several minutes. She said her next project would be a double-channel crossing of the English Channel, as soon as she could obtain the necessary sponsors. She finally fought her way to a waiting ambulance which took her to Glade General Hospital for recuperation and rest.

"I can't tell you how happy I am," Taylor said. "All of you here to see me are just wonderful. What I need now is a hot shower!"

Letter to the editor

Editor: generously and positively.

Having worked on the Black Gold Jubilee since its inception we have seen the important part played by the press in promoting the annual festival for the community and surrounding areas.

We think the Herald-Observer, Palm Beach Post Times and Glades Trend deserve a very special Thank You for supporting the Jubilee so

Gratefully,

Mary E. Orenigo

Dolly Hand

Listen ... Bank of Pahokee Wants You To Know ...

Do You Own Series E U.S. Savings Bonds Purchased Between May 1, 1941 & April, 1952?

If so, you should know that they are reaching final maturity exactly 40 years after date of issue. (For instance, a Bond purchased in May of 1943 will reach final maturity in May of 1983.) As these Bonds will not earn interest after reaching maturity you should either cash them or, to extend tax deferral on earned E Bond interest, exchange them for current-income Series HH Bonds. Such exchanges may be made up to one year after final Series E Bond maturity.

If you have any questions about Bonds, please stop in soon and let us help you.

Simpson completes internship

BELLE GLADE — Miss Bernice Simpson, a senior at Bethune Cookman College of Daytona Beach, Fla., completed her teaching internship, Friday, Apr. 10 at Belle Glade Elementary School under the supervision of Mrs. Mary B. Taylor, the West Area Teacher of the Year.

Miss Simpson, an Elementary Education major at Bethune Cookman, is a native of the Glades and graduated from Glades Central High School of Belle Glade in 1977.

She began her student-teaching internship on Jan. 19 and Mrs. Taylor said Mrs. Simpson had complete control of the

class during the internship.

As part of the Elementary Education teaching curriculum at Bethune Cookman College, Miss Simpson had to complete the 12 week internship before receiving her degree.

During the internship, Miss Simpson taught a lesson on nutrition and helped the students with a special project during Black History Week in February.

Miss Taylor said Miss Simpson did an "excellent job and she will be missed."

"Some schools will be receiving an excellent teacher," Mrs. Taylor added.

Miss Simpson said she enjoyed coming home to do her teacher training and enjoyed every minute of it.

"I could not have had a better teacher to intern under," said Miss Simpson.

"I had a very enjoyable learning experience," she added. At the end of the day, Miss Simpson surprised Mrs. Taylor with a plaque of appreciation and in return the class and Mrs. Taylor surprised Miss Simpson with a bouquet of flowers and several gifts.

GELS officers installed

BELLE GLADE — The Glades Ebonyque Ladies Club held its Fourth Annual Officer Installation Services, Sunday, Mar. 29 at the Belle Glade Municipal Civic Center.

Mrs. Vivian Byrd of the El Dorado Civic Club served as the Mistress of Ceremonies and Charles Todd, Sr., was the keynote speaker. Mrs. Gloria Darville of the LaChic Mesdames Social Club was the installing officer.

Other program participants included, Mrs. Winifred Tolbert; Mrs. Dorothy Glaze, president of the El Dorado Civic Club; Charlie Laws, Ellie Thornton, and Delores Maxey.

Following the ceremony refreshments were served. Officers installed were Mrs. Patricia Wallace, president; Miss Alma Henry, vice-presi-

dent; Mrs. Gwen Williams, recording secretary; Miss Barbara Jones, treasurer; Miss Gloria Atkins, corresponding secretary; Miss Diane Kyles, historian; Miss Crystal Fox, reporter; Mrs. Myrtice Cade, chaplain, Debra Perkins, asst. recording secretary; Marilyn Bruns, parliamentarian; Diane Bridgeman, financial secretary; Florence Maitland, activity chairperson; members Margaret S. Edwards and Juliet Johnson; and Mrs. Mae Johnson, advisor.

Around the World in 120 minutes

PAHOKEE — The Pahokee Elementary School will host its annual May Day program on Thursday, April 30 at 7 a.m. on the Pahokee High School football field. The theme this year is "Around the World in 120 minutes."

"This traditional event is the highlight of the year which the children at the school look forward to with great anticipation," said Dr. Harris Blumberg, principal of the school.

Parents, teachers, and students will take a two hour cruise aboard the "Princess Love Boat" to various countries around the world. They will see native dances, and varied cultures on the face of the earth," he added.

Mrs. Jackie Moore will serve in captain of the ship. In addition to the performance, the Pahokee

Elementary School annual "Spring Festival is slated for Saturday, May 9. Each grade group will sponsor a booth. There will be a bicycle and Afghan drawing. "Miss Daisy's Country Store," a book fair, food and drinks, games and prizes galore and the very popular "Dunk the Duck."

The festival will begin at noon and draw to a close after 3 p.m. The public is invited to attend both of these activities.

PAHOKEE — The Shiloh Missionary Baptist Church youth department will present its annual Easter program, Sunday, April 19 at 3 p.m. at the church.

The public is invited to attend.

Shiloh plans Easter services Sunday

Simpson completes internship

BELLE GLADE — Miss Bernice Simpson, a senior at Bethune Cookman College of Daytona Beach, Fla., completed her teaching internship, Friday, Apr. 10 at Belle Glade Elementary School under the supervision of Mrs. Mary B. Taylor, the West Area Teacher of the Year.

Miss Simpson, an Elementary Education major at Bethune Cookman, is a native of the Glades and graduated from Glades Central High School of Belle Glade in 1977.

She began her student-teaching internship on Jan. 19 and Mrs. Taylor said Mrs. Simpson had complete control of the class during the internship.

As part of the Elementary Education teaching curriculum at Bethune Cookman College, Miss Simpson had to complete the 12 week internship before receiving her degree.

During the internship, Miss Simpson taught a lesson on nutrition and helped the students with a special project during Black History Week in February.

Miss Taylor said Miss Simpson did an "excellent job and she will be missed."

"Some schools will be receiving an excellent teacher," Mrs. Taylor added.

Miss Simpson said she enjoyed coming home to do her teacher training and enjoyed every minute of it.

"I could not have had a better teacher to intern under," said Miss Simpson.

"I had a very enjoyable learning experience," she added. At the end of the day, Miss Simpson surprised Mrs. Taylor with a plaque of appreciation and in return the class and Mrs. Taylor surprised Miss Simpson with a bouquet of flowers and several gifts.

Around the World in 120 minutes

PAHOKEE — The Pahokee Elementary School will host its annual May Day program on Thursday, April 30 at 7 p.m. on the Pahokee High School football field. The theme this year is "Around the World in 120 minutes."

"This traditional event is the highlight of the year which the children at the school look forward to with great anticipation," said Dr. Harris Blumberg, principal of the school.

"Parents, teachers, and students will take a two hour cruise aboard the "Princess Love Boat" to various countries around the world. They will see native dances, and varied cultures on the face of the earth," he added.

Mrs. Jackie Moore will serve in captain of the ship. In addition to the performance, the Pahokee

Elementary School annual "Spring Festival is slated for Saturday, May 9. Each grade group will sponsor a booth. There will be a bicycle and athletic drawing. "Miss Daisey's Country Store," a book fair, food and drinks, games and prizes galore and the every popular "Dunk the Doc."

The festival will begin at noon and draw to a close after 5 p.m.

The public is invited to attend both of these activities.

Shiloh plans Easter services Sunday

PAHOKEE — The Shiloh Missionary Baptist Church youth department will present its annual Easter program, Sunday, April 19 at 3 p.m. at the church.

The public is invited to attend.

IBPOEW was represented in Saturday's parade

TAKING IT FROM THE TOP

By REV. DAVID T. EVANS, Everglades Presbyterian Church

Sunday is Easter! This day that is celebrated as a time for renewal and new life is set as the highpoint of the Christian year.

Easter comes at a time when our country and the world needs renewal and new life. Our nation is struggling with disappointment with leadership and credibility of the energy crisis.

We ourselves are dismayed and frightened by the violence and terrorism. We are threatened by further untold and loss of security. At every turn there is rising costs, apprehension about health, and fear of personal safety.

Into the depths of despair came one, Jesus of Nazareth, who said, "A new commandment I give you. That you love one another even as I love you." He came to tell people who were depressed, oppressed, and helplessness and hopeless that there is hope in God's love.

While the prophets of doom ring the bell announcing one crisis after another that we still have resources if we use them well. Our fight against pollution has already made gains. The talent of the minds of men and women have not been tapped to develop new methods of transportation and energy. Now is the time, at the beginning of the third century of independence, that we plan and work for new life.

Now is the time for the Christians, individuals, and collectively to express love and willingly make sacrifices for each other. We have had a comparatively easy life for thirty-five years. We have been tearing down our barns and building bigger ones. We need to re-evaluate our resources and use the physical and spiritual resources wisely.

Now at Easter is the time to take another look at Jesus. He came not only to Bethlehem, Nazareth and Jerusalem, but He comes to us. Jesus came as God's answer to a world of greed, selfishness and corruption. God was not content to leave us in our frustration but came to us in love.

The death of Christ was necessary to get the attention of all men including you and me. As today, the men of Jesus' time were looking out for themselves and oppressing others. God wanted to show that His love was the only answer to the world's problems.

On Palm Sunday, on such a day as last Sunday, Jesus rode into the city of Jerusalem and was crowned unofficial King of the Jews. He came to be lord of the hearts of men. This threatened the status-quo, the leadership and they arrested him and crucified him.

The Hosannas of the Palm Sunday became "crucify him, crucify him." The agony of the cross was joy to Christ because He was showing us the way to new life. The open tomb of Easter is thrilling but it is important only if we remember the darkness of Golgotha. God has given us new life in abundance in Christ who loved us so much that He willingly died for us.

Clark appointed Grand Instructor

TAMPA — At the Order of Eastern Star, Grand Chapter Session held recently in Tampa, Mrs. Ellen Clark, Past Matron of Belle Glade Chapter 197, was appointed by Mrs. Anita Atkins, Worshiping Grand Matron, to serve as Grand Instructor of District 37, for the coming year.

Mrs. Clark will be responsible for instructions in floor work in Pahoek Chapter 184, Sugarland Chapter 220, Moore Haven Chapter 116, as well as Belle Glade Chapter 197. She will hold a School of Instruction in each

Chapter and also a District School during the next several weeks.

Other appointments in the District made by Mrs. Atkins were Mrs. Beth Mitchell, O.E.S. Endowment and Investment Committee, District 37, Mrs. Louise Rogers, Cancer Research, District 37, both of Pahoek Chapter 184; Mrs. Martha Woodard, Masonic Home Committee, District 37 and Mrs. Virginia Douglas, East District 37, both of Moore Haven Chapter 116, and Mrs. Jessie Barnes of Pahoek was named the Grand Representative of Alberta.

St. John to observe Men Day April 26th

BELLE GLADE—On Sunday, Apr. 26, the St. John First Baptist will observe its annual Men Day. Judge Ralph Person, Dade County Circuit Judge, Juvenile division, will be the 11 a.m. speaker.

Judge Person is a native of Brooksville, Fla., and he received his bachelors of arts degree from St. Augustine College. He received his Juris doctorate degree from University of Miami.

The 7 p.m. speaker, will be Sgt. Curtis Boston of Homestead, Fla. He is a native of Belle Glade.

Sgt. Boston is a 1966 graduate of Lake Shore

High School. He has attended Palm Beach Junior College and has served 12 years in the Air Force.

Special music will be performed by the men of St. John at 11 a.m. and the Glades Central Community School Male Quartet will sing during the 7 p.m. services.

James Eccles, publicity coordinator, along with the St. John family invite the community to come out and share in these services. The chairman of Men Day is Joseph Walls and the co-chairman is Willard Taylor. Eccles is the Program chairman also.

Only as we grasp the victory of good over evil; only as we see that selfishness can overcome selfishness; and only when we make the sacrificing love of Christ our own can we have hope in the world.

Love came to the world at Easter. Love can come into your life if you will roll about the stone of your heart and let Christ live in your life.

David T. Evans

Local student NAACP community awards banquet graduates from Georgia Tech

Mario Antonio Rodriguez of 198 N. Greenstar Ave., Pahoek, graduated from Georgia Tech March 21.

He earned a bachelors degree in mechanical engineering.

INNER PEACE MOVEMENT LECTURER TO SPEAK HERE

Psychic Howard Wimer will speak at the Belle Glade Holiday Inn at 7:30 p.m. Saturday, April 18. A \$3 admission fee will be charged.

Wimer is a professor and consultant with the Americans Leadership College and has been actively involved with the Inner Peace Movement for over seven years.

BELLE GLADE — The Iota Omicron Chapter of Zeta Phi Beta Sorority, Inc., presents its Second Annual Violet Anderson-NAACP Community Awards Banquet and Social, Saturday, Apr. 18 at 8 p.m. at the Lakeside

Country Club in Belle Glade. Tickets are \$10 per person and can be purchased from any member of the sorority.

The speaker will be Gerald Adams, newly elected City Commissioner.

Area obituaries

Glade Country Club. He was a member of the Everglades Presbyterian Church in Belle Glade.

In his early years he was a farmer, but in later years, he owned his own drug line operating business.

Funeral services were

held at the Mission Episcopal Chapel April 15th with the Reverend David T. Evans, pastor of the Everglades Memorial Presbyterian Church, officiating.

Palbearers were Allen Aunapu, Jimmy Aunapu, John Aunapu and Harold Brough.

Honorary palbearers were Bob Gressinger, J.T. Dell, Bruce Johnson, and Joe Friedheim.

Interment followed at Port Mayaca cemetery in Martin County, Minn. Funeral Home was in charge of arrangements.

Robert L. Larson
Contracting, Inc.
Seepage Irrigation and
Subsurface Drainage Specialists
Irrigation potential is unique to South Florida's Citrus Groves.
Conditions Necessary For Its Use:

1. Relatively level topography
2. Sandy or pervious soils
3. Some sort of lower impervious strata to serve as a base
4. Good water source

Advantages of its use:
1. Low installation cost
2. Simple operational procedures
3. Guaranteed coverage
4. Cold collection
5. Positive sub. drainage

These systems are installed with Laser mounted trenching equipment using perforated corrugated plastic tubing with a polyester and filter sock.

INVITATION TO BID

Sealed bids will be received by Pelican Lake Water Control District at District Office, U.S. 441, Belle Glade, Florida up to 10:00 a.m. Tuesday, May 6, 1981.

At which time bids will be publicly opened and read for the furnishing of all materials, labor, equipment and supplies necessary for:

RESTORATION IMPROVEMENTS TO MAIN CANAL & LATERALS IN UNIT NO. 2

FOR PELICAN LAKE WATER CONTROL DISTRICT PALM BEACH COUNTY, FLORIDA

Including necessary appurtenant items and in accordance with the Specifications and Drawings prepared by Hutcheon Engineers, Incorporated.

The nature and scope of this project is:

Excavation of muck/silt and muck/silt in the existing Main Canal No. 2. The excavation of muck/silt and muck/silt in existing laterals, levee construction and installation of culverts.

The project herein described shall be constructed for a Unit Price Bid.

The bidder will submit, along with his Unit Price bid at Bid Security a certified or bank

cashier's check made payable to Owner or a bid bond issued to the Owner in the amount of not less than five percent (5%) of the base bid as a guarantee that the Bidder if awarded the contract will within fifteen (15) consecutive calendar days of the Notice of Award enter into a written agreement in accordance with his accepted

bid and furnish the required Performance and Payment Bond satisfactory to the requirements of the Contract Documents and in an amount at least equal to the Contract Price.

All construction shall be carried out in accordance with the Contract Documents, which include the Specifications and Drawings prepared by Hutcheon Engineers, Incorporated, 1201 Belvedere Road, West Palm Beach, Florida, or 1201 South Main Street, Belle Glade, Florida upon payment of a deposit of \$50.00 per set for each set of Contract documents, including the Specifications and Drawings. The deposit will be refunded to the Contractor including the Specifications and Drawings in good condition within seven (7) calendar days after the date set for opening of the bids.

Bids requested shall be set forth in the Bid Form attached to and being a part of the Contract Documents. The Contract Documents will not be issued in request in response at least 24 hours prior to opening of the bids.

Bids may be modified or withdrawn in accordance with Instruction to Bidders prior to opening of the bids.

The Owner reserves the right to reject any and all bids and waive any and all informalities, and the right to disregard all nonconforming or conditional bids or counter proposals.

MORE PONTIAC KNOW-HOW COMES TO YOUR NEIGHBORHOOD.

BOB HEGLEY, INC. GRAND OPENING!

KNOW-HOW IN OUR NEW PONTIACS. Our 1981 line-up offers exciting innovations from Research and Development. Engineering and Design that combine to make up Pontiac's new Efficiency System. In all gasoline-powered models, this system includes GM's Computer Command Control. A series of sensors continuously monitors engine temperature, engine speed, throttle position, altitude, barometric pressure and oxygen content in the exhaust. Tiny computer chips in the electronic control module analyze this data, then regulate the carburetor for a precise air/fuel mixture. But that's just the beginning.

Pontiac know-how shows up in many exciting ways. For example, Grand Prix glides into 1981 with dramatic new aerodynamic lines. LeMans and Grand LeMans 4-door sedans show

the world a formal new routine. And Phoenix, Pontiac's 'X' car, invites live people to enjoy the advantages of front-wheel drive.

KNOW-HOW IN OUR STAFF. Our people have even more information for you on all our new Pontiacs, and on top-value lease cars, too. They're ready to deal. And they probably have more ways to arrange financing for you than a bank.

KNOW-HOW IN OUR MODERN SERVICE DEPARTMENT. We know the importance of service. Our qualified service technicians use Pontiac know-how and the right equipment to get you back on the road in the shortest time possible.

That's the kind of Pontiac know-how you'll find at our new dealership. So drop by our showroom soon and take a look at our great line-up of new 81 Pontiacs!
